III. Professions for non-Jordanian workers in establishments working in the garment and sewing industry sector registered with the Ministry of Investment in Development Zones

1. It is permitted to employ or recruit non-Jordanian workers in all professions permitted for non-Jordanian workers mentioned in **Appendix No. (VIII/1)** , provided that the percentage of Jordanian workers is not less than (30%) of the total number of workers in the establishment who are registered with social security or who have work permits, whichever is more.
2. Number of non-Jordanian workers versus Jordanian workers in administrative professions
Companies operating in the garment and sewing industry sector mentioned in Appendix No. (VIII/2) can employ or recruit non-Jordanian workers in their desired professions, except for those prohibited for non-Jordanian workers. The number of non-Jordanian workers shall not exceed 3% of the establishment's total non-Jordanian workforce registered with the General Corporation for Social Security. However, the number of Jordanian workers in these professions and registered with social security shall be at least 2% of the establishment's total workforce. Furthermore, the percentage of Jordanians working in administrative professions shall be 50%, with the remaining 50% allocated to non-Jordanians, as per the professions listed in Appendix No. (VIII/3).
3. The ratio of non-Jordanian workers to Jordanian workers in the new investment opportunities created in this sector is (2) two non-Jordanians versus (1) one Jordanian.
4. The Instructions for the Conditions and Procedures for the Recruitment of Non-Jordanian Workers in Qualifying Industrial Zones for the year 2007 contained in Clause (Twenty-ninth) of these Guidelines shall apply.

Bank guarantees for establishments working in the garment and sewing industry sector registered with the Ministry of Investment in Development Zones

1. No bank guarantee shall be accepted whose wording does not include the bank's commitment to automatic renewal.
2. Bank guarantees can only be canceled after verifying that all non-Jordanian workers with limited status (valid, expired, or canceled) have departed the employer,

supported by a proof of departure document issued by the Residence and Borders Directorate, upon submitting a cancellation request.

X. Recruitment of a non-Jordanian worker from outside Jordan

It is permitted to recruit non-Jordanian workers in the economic sectors and for the following categories with the approval of the Minister of Labor or their authorized representative:

1. Establishments working in the garment and sewing sector registered with the Ministry of Investment in Development Zones
2. The sector of domestic female workers, and with regard to the recruitment of males, their conditions are taken into account.
3. Professions with specialized skills
4. Jordanian companies and institutions contracting with the Jordanian-Palestinian Company for Marketing Agricultural Products, provided that the required numbers of non-Jordanian workers are determined by a letter of recommendation from the Minister of Agriculture.
5. Recruitment of a non-Jordanian worker in lieu of a departing worker in accordance with Clause XI of these Guidelines.

XI. Recruitment of a non-Jordanian worker from outside Jordan in lieu of departing worker in the following cases:

1. As of January 1, 2022, employers across all economic sectors in Jordan are permitted to recruit a worker, either a new hire or the same worker who previously left, to replace a departing non-Jordanian worker. This replacement is allowed according to the designated quotas for Jordanian and non-Jordanian workers within the various economic sectors, as determined by the relevant Directorate or Labor Office. The employer shall submit a travel statement issued by the Residence and Border Department, confirming that the departing worker has permanently left Jordan. The statement shall not be older than 7 days.
2. Recruitment of a non-Jordanian worker from outside Jordan in lieu of a departing worker in the following cases:

- A. A worker of Egyptian nationality, or those from restricted nationalities whose work permits have expired or been canceled along with their residence permits, depart the territory of Jordan under a final, one-way exit from the country, provided that the worker who left the territory of Jordan has worked for the same last employer who will be recruiting for a period of no less than (6) months.
 - B. A recruited worker has departed and is subsequently found unfit during the medical examination process without having obtained final departure status.
 - C. A worker who has been deported by a decision of the Ministry due to their refusal to work for the employer, provided that their work permit is canceled before leaving the territory of Jordan.
 - D. A non-Jordanian worker who holds a valid work permit or an expired work permit for a period not exceeding three months dies, provided that the employer submits a death certificate certified by the competent authorities and a statement proving that the worker's work permit is canceled.
 - E. A worker departs Jordan after 1/1/2022:
 - If this worker holds the Egyptian nationality, recruitment of a non-Jordanian worker from outside Jordan in lieu of a departing worker applies if the worker departs under an exit and return permit (leave) and their work permit is cancelled or expires while they are outside Jordan.
 - For the worker of the nationalities restricted by the Residence Law, the replacement applies when the worker's work permit and residence permit expire or are cancelled.
3. It is prohibited to issue a work permit to the worker in whose place another worker has been recruited unless this worker re-recruited in accordance with the work procedures followed in the Ministry.
 4. It is not allowed to recruit workers subject to deportation decisions issued by the Minister of Interior or deportation decisions issued by the Minister of Labor unless their status has been corrected by the competent authorities.
 5. It is not allowed to recruit workers who left Jordan during the following periods:
 - A. The period of reconciliation of non-Jordanian employment conditions from 22/9/2019 to 30/1/2020.
 - B. The period of application of the exemptions issued by Council of Ministers Resolution No. (9367) from 31/5/2020 to 31/5/2021.
 - C. The period of reconciliation of non-Jordanian employment conditions from 4/7/2021 to 31/10/2021.
 6. Recruitment of a worker instead of a departing worker shall not apply to the following categories:
 - A. The domestic workers sector.
 - B. Schools, nurseries, kindergartens, universities, colleges, training centers and institutes or any educational or training institution.

C. Municipalities and the Greater Amman Municipality.

D. Free work permit for day laborers.

7. Employers who meet the conditions and who do not wish to recruit a worker from outside Jordan are allowed to recruit a worker in lieu of a departing worker. The replacing worker shall have a prior work permit located inside the Jordan, and in accordance with the work procedures followed in the Ministry.

XIV. Transition between economic sectors for non-Jordanian workers

1. The following economic sectors are considered restricted sectors, from which workers are not permitted to transfer to any other sector. However, workers within these restricted sectors are allowed to transfer from one employer to another within the same sector. Workers from sectors where transfer is allowed are permitted to transfer to these restricted sectors:
 - A. Bakery sector
 - B. Domestic gas distribution sector.
 - C. Mechanical sector (licensed oil spare facilities, diffusers and car wash)
 - D. Agricultural sector including olive presses. It is allowed to move outside this sector in the following cases:
 - It is allowed to work as a domestic worker/gardner in the domestic workers sector.
 - If the new employer owns a farm (agricultural holding) or has an establishment in one of the economic sectors that allows transfer, and the employer's name is listed as the owner or partner of the establishment.
2. The free work permit sector is considered a closed sector, and it is not allowed to transfer a worker from a free day labor permit in its two categories (day laborer/general laborer) or (day laborer/construction worker/ loading and unloading worker) to any other sector, while it is allowed to transfer the worker to the free permit (day laborer/construction worker/ loading and unloading worker) from the sectors that are allowed to move from.
3. The garments sector in Qualified Industrial Zones (QIZ) is considered a closed sector, where workers are not permitted to transfer to any other sector, nor can workers from other sectors transfer to this sector. However, workers within the garments sector in QIZ are allowed to transfer from one employer to another within the same sector.
4. Workers are permitted to transfer from the Aqaba Special Economic Zone Authority to work for the same employer or a new employer, as long as the necessary fees are paid to the authority. Additionally, if the worker's previous profession requires specialized skills, they will be transferred to work in a profession that utilizes those specialized skills.
5. The rest of the economic sectors that are not mentioned above are considered sectors that are allowed to move to and from.

6. Workers may transfer from one employer to another within any economic sector for workers from the following categories:
- A. Workers of Syrian nationality.
 - B. Workers of Iraqi nationality.
 - C. The spouse of a Jordanian.
 - D. Holders of a valid Jordanian temporary passport.
 - E. Employees with specialized skills and within the specialized skills professions.

XV. Renewal of work permits for non-Jordanian workers

● **In economic sectors and activities:**

The renewal of work permits at the same establishment of the employer is permitted as follows:

1. The renewal does not require the ratio of Jordanian workers to non-Jordanian workers.
2. The renewal does not require presenting the professions license, the commercial register, the work permit, the registration document, and the approvals of the residents of the building.
3. The worker shall be covered by the same employer, regardless of the existence of a social security block on the employer's establishment.
4. When renewing work permits, adherence is mandatory to the maximum number of non-Jordanians and the specific conditions for professions outlined in Clause (V) of these Guidelines for economic activities, as stipulated below:
 - A. Bars
 - B. Disco.
 - C. Night clubs
 - D. Municipalities
 - E. Parking
 - F. Offices working in the recruitment of non-Jordanian domestic workers

G. Non-operating foreign companies (regional offices)

H. Transportation/Class 6 driver (trucks)

- **The agricultural sector**

Work permits may be renewed for workers with the same employer and on the same agricultural holding, regardless of the number of non-Jordanian workers specified as a requirement for the agricultural holding (plant or animal), on the condition that the employer has not transferred any worker from another employer or recruited a worker for the first time after June 11, 2023. Otherwise, no work permit will be renewed for workers holding permits on agricultural holdings, except in accordance with the requirements of the holding itself.

XVI. Exit and return permit (leave) for workers of Egyptian nationality

Egyptian nationals are required to obtain an exit and return permit before leaving the territory of Jordan for the purpose of taking leave, in accordance with the following procedures:

1. The employer or their authorized representative shall apply for an exit and return permit for the worker, specifying its duration, provided that the worker's contribution to social security is valid with the same employer in accordance with the following:
 - A. The application shall be submitted electronically for establishments registered on the electronic permit system, and for establishments not registered on the system, the application shall be submitted through the expatriate workers system.
 - B. It is possible to extend the exit and return permit when it expires without requiring the worker's contribution to social security.
 - C. The service fee is collected.
 - D. The employer and the worker are informed of the approval of the exit and return permit by a text message.
2. It is permitted to grant an exit and return permit to a worker covered by social security with the same employer in the event that there is a social security block on the entry of the employer's establishment, taking into account that the following categories are not covered by social security:
 - A. Domestic workers
 - B. Workers in the construction sector
 - C. Persons not obliged to contribute to social security
3. A worker who holds a free work permit as a day laborer is not required to obtain an exit and return permit.

XVII. Final departure (exit without return) for workers of Egyptian nationality

Egyptian nationals are required to obtain a final departure (non-return exit) before leaving the territory of Jordan permanently, in accordance with the following procedures:

1. For workers who wish to take a final leave within a period not exceeding 90 days from the date of expiry or cancellation of their last work permit, only the service fee shall be paid.

2. For workers who wish to leave permanently within a period exceeding 90 days from the date of expiry or cancellation of their last work permit, the full value of the work permit fee shall be collected for each year or part of the year from the date of expiry of the last work permit, according to the type of the last work permit. Additionally, the service fee and any resulting fines shall also be paid.

XVIII. Clearance for non-Jordanian workers in economic sectors

A worker whose work permit expires is required to obtain a clearance from the employer for the purposes of approving their transfer to another employer, with the exception of the following categories:

1. Workers of Syrian nationality.
2. Workers of Iraqi nationality.
3. Holders of a valid Jordanian temporary passport.
4. The spouse of a Jordanian.

K. Notification of desertion (leaving work) for non-Jordanian workers in economic sectors

1. Employers are not permitted to report a worker as absent without leave unless all the worker's social security contributions have been paid in full. A desertion notice shall be submitted to any police directorate or security center and properly stamped for nationalities restricted by the Residence Law. However, workers not covered by the Social Security Law are exempt from paying social security contributions when reporting desertion.
2. Desertion shall not be notified within the last two months of the duration of the work permit.
3. The percentage of desertion shall not exceed (10%) of the number of workers who have valid work permits with the employer. If their number is less than ten, it is permitted to report desertion for only one worker. The percentage of (10%) includes workers whose work permits have expired and who have previously been reported as deserters.
4. If the reported worker has left the territory of Jordan, they will not be counted towards the 10% ratio mentioned in Clause (3) above, provided that proof of the worker's departure from Jordan is obtained from the Directorate of Residence and Borders/Directorate of General Security.
5. Establishments working in the garment and sewing industry sector registered with the Ministry of Investment in Development Zones are excluded from Clauses (3) and (4) above.
6. In the event that the desertion notification submitted by the employer is found to be incorrect, a block shall be placed on the establishment and the employer shall be prevented from issuing any work permits. The status of the worker shall be corrected and they shall be granted a work permit with another employer.

XX. Cancellation of work permits for non-Jordanian workers in economic sectors

1. The work permit shall be canceled through the concerned labor directorate/ office in the presence of both the worker and the employer, delegate or agent for the following purposes:
 - A. The worker will be transferred to another employer.
 - B. The worker wishes to leave Jordan permanently.
2. If a deportation decision is issued against a worker due to their refusal to work, their work permit will be cancelled before they leave the territory of Jordan. Workers of Egyptian nationality are exempt from obtaining a final departure permit.
3. The employer shall be permitted to cancel the work permit of the worker without requiring the worker to be present and to bring the work permit card and passport in the following cases:
 - A. The worker dies, provided that a death certificate duly certified by the competent official authorities is presented.
 - B. The worker who obtains an exit and return permit (leave) leaves Jordan's territory and his work permits expires, provided that the employer presents a proof of departure document issued by the Directorate of Residence and Borders.
 - C. If a worker from a nationality restricted by the Residence Law leaves Jordan and the allowed period for staying outside Jordan expires without returning, their file can be closed, provided that their fees are paid at the Residence and Borders Directorate, and a proof of departure document is presented, issued by the Residence and Borders Directorate.
4. Temporary and flexible work permits issued to workers of Syrian nationality shall be canceled in the presence of the employer or their authorized representative without the need for the worker's presence.

- C. The window shall be responsible for:
 - 1- Considering applications for employment and recruitment submitted by senior businessmen and investors and proceeding with procedures in accordance with the principles in force in these Instructions.
 - 2- Giving recommendation to the director for the decision to approve or not to approve the applications for employment and recruitment.
 - 3- The Head of the Window shall take the decisions related to the renewal of work permits and the change of the employer in accordance with the principles contained in these Instructions.
- D. Requests for the employment and recruitment of experts and technicians shall be subject to the following :
 - 1- There is no Jordanian alternative.
 - 2- The employer shall train a Jordanian substitute to replace the expert or technician.
 - 3- The expert or technician shall be granted a work permit for a period of one year, renewable based on a training and operation agreement with the Ministry and the approval of the Employment Committee.

Article (14)

Notwithstanding the provisions contained herein regarding workers of unrestricted nationalities, the following principles shall apply to workers of Egyptian nationality within the scope of this Article.

- 1- Every employer who wishes to recruit a non-Jordanian worker of Egyptian nationality shall submit the following documents:
 - A. An application for recruitment and filling out the form approved by the Ministry.
 - B. The employer shall provide a valid professional license for the establishment and attach a copy of it. Alternatively, the employer can provide a letter issued by the competent directorate of agriculture if the worker they wish to recruit will be working in the agriculture sector. If the worker will be employed in a building or villa, the employer shall submit a work permit, a land registration document, and a lease contract (if the employer is a tenant). These documents shall be duly certified, and the employer shall attach copies of them. However, the approval shall be only valid for one worker per building or villa.
 - C. The Employment Committee may request a recommendation from the relevant union, association, or governing body that represents the economic sector that the employer operates in. This recommendation should indicate the actual extent of the employer's need for the workers they are applying to hire.
 - D. A copy of the projects and tenders referred to the owner of the shop, indicating the party to which these tenders were referred.
 - E. The employer shall provide a statement issued by the Social Security Corporation showing the establishment's contribution to social security.
 - F. The rest of the required documents are completed when the worker enters the Jordan's territory, namely:
 - 1- A copy of the employment contract certified by the Egyptian Ministry of Manpower.
 - 2- The worker's passport and a copy thereof.
 - 3- A valid medical examination certificate issued by one of the health centers accredited by the Ministry of Health, in addition to providing a medical examination from the worker's country, and a non-conviction certificate.
- 2- The approval of the recruitment application shall be valid for a period of two months from the date of the approval of the Employment Committee. The employer shall select the worker through the publicly available workers' data on the website of the Ministry or through their own personal choice, shall pay

- the fee for issuing the work permit and sign the computerized work contract in the concerned labor directorate.
- 3- The employer is permitted to replace one worker with another in the case of recruitment, but this can only be done once and the same fees paid previously shall apply. This replacement is allowed in the following cases:
 - A. In the event that the worker does not sign the work contract within two weeks from the date of payment of the work permit fees by the employer.
 - B. In the event that the worker signs the employment contract and stamps their passport with information about the employer and the sector in which they will work, and they do not enter Jordan within (45) days from the date of signing the contract, provided that a replacement application is submitted to the Ministry within a period not exceeding four months from the date of payment of the work permit fee.
 - 4- The worker shall be prohibited from entering Jordan after the lapse of (45) days from signing the employment contract.
 - 5- The validity period of the work permit of the Egyptian worker shall start from the date of their entry into Jordan.
 - 6- The recruited worker shall pay an amount of (250) US dollars or its equivalent in Jordanian dinars when entering Jordan through the Aqaba border crossing as insurance for the purposes of commitment to join the employer that recruited this worker. The worker is eligible to recover the insurance value upon commencing work with the employer and obtaining a work permit within 45 days of their entry into Jordan. Failure to do so will result in the insurance amount being considered a revenue for the treasury, and the worker will not be entitled to its recovery.

Article (15)

The Minister may cancel a deportation decision that was issued under the provisions of Article (12/g) of the Labor Law, if the Minister is convinced that there are valid reasons requiring the cancellation of the deportation order. However, in such cases, the employer or the director of the establishment shall bear the expenses, costs, and service fees incurred by the Ministry and other official bodies related to the monitoring of violations and the apprehension of workers who have violated the law for the purposes of deportation. Additionally, the employer/establishment shall pay a total amount of 3,000 Jordanian dinars to the public treasury as a penalty for the worker's employment in a manner contrary to the provisions of the law.

Article (16)

Subject to the provisions of Clause 3 Paragraph A of Article No. 12 and Article No. 15, the provisions of these Instructions shall apply to all sectors except the sector of domestic workers and workers in Qualified Industrial Zones.

Article (17)
